Storms In District Ends Fire Threat; Snow On Summit

It is hoped by the U. S. Forest Service that the storm Thursday and Friday last week has ended the fire season for this year.

Although fire permits will be required for any open burning up until December 1 to correspond with the state regulations, the lookout, the suppression crew and the standby helicopter have been relieved of duty, at least temporarily, Henry Toccalini, assistant-fire control officer of the Truckee District of the Tahoe National Forest, announced.

The storm left a total of 1.74 inches of rain and snow in the Truckee district, bringing the total precipitation for the season since September 1 to 2.60 inches. This compares to last year on this date of 1.85 inches, Toccalini said.

The local officer explained that while the lookouts and crews have been laid off for the season, there is a chance that they may be recalled as the drying winds which followed the storm can quickly dry out the underbrush, trees and grass, again creating a fire hazard.

The storm deposited four inches of snow on Donner and the chain control was enforced for the first time this year and a number of minor vehicle accidents were attributed to the slippery highways.

Following the storm, the temperature took a sharp drop and a low of 19 was recorded Saturday morning.

In summarizing the fire season, Toccalini said a total of 66 fires were reported in the Truckee district but that with the exception of the 200 acre lightning fire near Boca early this season, all were kept to a small radius due to the fast and effective work of the suppression crews.

Speed Limit Lower In North Lake Area

Reduced speed zones have been established on two stretches of State Sign Route 89 in eastern Placer County, it was announced today by state division of highways officials at the Marysville district office.

1) A new 35-miles-per-hour zone will extend from Tahoma to Homewood, about one and one-half miles, along the Lake Tahoe west shore. It will connect at each end with existing 35-mph zones in the two communities.

2) A speed limit of 45-mph will begin at the end of the existing 35-mph zone near the highway maintenance station, about one-third mile west of the Tahoe City Wye, and extend north to near the Squaw Valley road intersection, a distance of 4.7 miles.

Enforcement by the highway partol will become effective with the installation of signs during the week of November 6-10, officials said.

REBEKAH LODGE TO NOMINATE OFFICERS

Naomi Rebekah Lodge No. 2 of the Independent Order of Odd Fellows, will meet November 8 at 8 p. m. with Goodi Mori, noble grand, presiding. It will be the second nomination of officers for the coming year.

Refreshments will be served by Maggie Avila and Dorothy Stice.

A number of officers attended a district school of instruction in Grass Valley October 29.

COUNTRY CLUB WILL HOLD MONDAY MEET

A meeting of the Shadow Valley Country Club will be held Monday at 7:30 p. m. at Smarts. All members are urged to attend as a decision will be made on whether or not to continue activities during the coming winter months. Charles Fink, club president, will be in charge of the meeting. Refreshments will be served.

RECREATION PLAN IS DELAYED TO NOV. 14

The public hearing before the board of supervisors relative to the formation of a recreation district to comprise the fifth supervisorial district of Nevada County, was delayed yesterday until Nov. 14.

Petitions were read from Soda Springs, Floriston and Kingvale asking for exclusion. There were also letters from Donner Lake residents seeking to be excluded if the district is finally formed.

EASTER BLOOM IN OCTOBER

Mrs. Charles Heller had an Easter lily in her garden bloom, for the second time this year, during October. Flower fanciers claim this is seldom seen, even in warmer climate and lower altitude.

Traveler Home—

Mrs. Tony Polyanich of Reno returned from San Francisco where she had visited with her son, Gene Barton when he brought in, as pilot a first flight jet airplane. The traveler also visited her family at Oakland and Carmel.

Wolverines Lose In Football Game To Strong Portola 11

The invading Portola Tigers gave up the first score here last Saturday but bounced back and downed their hosts, the Tahoe Truckee High School Wolverines, 27-18 in a non-league football contest.

Sophomore back Garry Cole was the big story for the Tigers as he accounted for three of the four Portola scores. The win was the fourth for the Tigers against a loss and a tie while the loss marked the seventh straight for the Wolverines.

Truckee drew first scoring blood when Joe Sheehan broke loose for 56 yards. Truckee missed the conversion and the 6-0 lead was short lived as Cole warmed up with a six-yard scoring plunge. Pete Young kicked the conversion and Portola was out front to stay 7-6.

Mike Stevenson ripped off 14 yards in the same quarter for the visitors and Young kicked good again to make it 14-6. Al Eberhart closed the gap shortly before halftime as he fell on a blocked Portola punt in the end zone to make it 14-12 at the intermission.

It was Cole again in the third period, this time taking a pass for a 20 yard score. Cole finished the day's work with a three yard plunge in the final quarter to dash the hopes of the Wolverines, who had scored on a plunge by Sheehan in the same period.

LITTLE HEADWAY IS MADE BY COMPACT

Little progress was made at Friday's meeting of the joint California-Nevada Interstate Compact Commission in Reno on an agreement of allocation of the waters of the Truckee River.

The California members of the commission want to take a fixed amount of water from the river channel every year with Nevada getting what is left. Nevada committee members want to recognize existing uses and rights with existing priorities and proportionate division of present unused water between the two states.

California proposed it be given 35,000 acre feet of water a year after additional storage has been developed and 25,000 acre feet until construction of storage facilities.

The commisison will meet again November 16 at Reno in hopes of reaching an agreement.

HUNTER SHOOTS SELF IN CAMP ACCIDENT

Carl Edward Crabb, 38, Novato, was treated at the Tahoe Forest Hospital for a self inflicted gunshot wound in his right thigh Thursday.

Crabb and two companions had just set up a hunting camp on the Webber Lake road when Crabb took the .22 calibre pistol from its holster and it accidentally discharged. Deputy Robert Schooley made the investigation.

GUNKEL PURCHASES CHICO AUTO COURT

TAHOE VISTA — Herbert Gunkel, owner and operator of Cedar Glen Lodge, has completed negotiations for the purchase of a trailer court at Chico and will take possession December 1. Gunkel's father will operate the new property, the former continuing at Cedar Glen.

The court at Chico now has 83 fully equipped units but the new owner said he would expand it into 200 parking areas in the future.

FIRE-ETTES TO NAME OFFICER CANDIDATES

Nomination of officers and elective committees will be the order of business for members at the meeting this evening of the Truckee Fire-Ettes, to be held in the Capitol Cafe. The group will meet at 7:30, dinner at 8 p. m. A Christmas dance and buffet to which the husbands will be invited is in the planning stage.

A Newcomer—

Mr. and Mrs. Harry Edwin Stephan of Soda Springs were welcomed by their daughter, named Sandra Grace who arrived October 27 in Tahoe Forest Hospital. The little girl's first weight was 7 pounds, 1½ ounces.

To County Seat—

Mary Zunino was a Wednesday business visitor at Nevada City.

Lake Level Drops Below Rim; May Continue Decline

TAHOE CITY — The level of Lake Tahoe Sunday dropped to official rim of 6223 feet and Monday measured only 6222.96, Cooperative Observer Daryl DeWalt reported.

Although the lake was below the "rim" a trickle of water continued to flow. This was explained by Federal Watermaster Claude Dukes, who said that the rim has eroded to a point slightly below the official low, probably because of almost continuous draw on the lake during the last three watershort years.

It is expected that evaporation will continue to lower the water until winter storms begin and Dukes predicted it would reach its lowest point about December 8.

A total of .77 of an inch of precipitation was recorded at Tahoe City last week, DeWalt reported.

The temperature Saturday dropped to a low of 20 degrees and the high for the week was 44.

Several Accidents In Area Reported

A series of motor vehicle accidents, none serious, were reported during the week by the California Highway Patrol.

Rev. Phillip J. Oliger, 56, a Catholic priest from San Francisco en route to Reno for a special assignment, was treated at the Tahoe Forest Hospital last Wednesday evening after he fell asleep at the wheel of his car near Donner Lake and crashed into a pine tree.

Three young men, Wilbur Wright, 20, Herbert Bramlette, 18, both of Dixon and Paul Collins, 23, Salem, Mass., were taken to the hospital Friday morning after a car driven by Wright was wrecked near Cisco.

Wright was thrown from the car into the brush and was not found for more than an hour.

Robert Lee Worth, 55, Vallejo, was cited for hit and run and failure to yield the right of way

PERMISSION GRANTED FOR DONNER MOTEL

After reconsidering the application of Harry A. Weiler of the Donner Pines Tract Extension at Donner Lake to construct a nine-unit motel and office, the Nevada County Planning Commisison at its last meeting approved the request.

Director of Planning William Roberts advised the commission that at a previous meeting the application was denied because of inadequate area and roads, but that it was learned the property is located in a commercial zone with a frontage on Highway 40.

Area Sanitarian Richard Walker approved the use of septic tanks and said such a facility would be adequate, removing all reasons for objection. It was also pointed out that there are other motels in the immediate area.

The motion to permit Weiler to build was passed unanimously by the commission. The division of housing must also approve the application.

ROSALIE FRATES IS WED AT CARSON CITY

Mr. and Mrs. Edward Frates of Truckee announced the October 25 marriage of their daughter, Rosalie Anne Frates, to Robert H. Johnson at Carson City, Nevada.

Mrs. Johnson is well known in this vicinity, a graduate of Tahoe Truckee Unified School District. She and her husband are both graduates of Sierra College at Auburn.

Johnson is the son of Representative Harold Johnson and Mrs. Johnson of Roseville. The young couple plans to establish their home at Roseville and he will continue the study of law.

NO PARKING

N. F. Dolley, Greyhound agent, has requested that no cars be parked out in the main street between the Associated Station and the depot as it blocks buses from entering and leaving the station, located in the express office of the depot. This is a private driveway, Dolley said, and by blocking it drivers are violating the law.

Foresters To Meet Here Friday For Recreation Talks

A meeting of the Society of American Foresters, Sacramento-Tahoe Forest Forum, will be held at Capitol Cafe in Truckee tomorrow evening starting at 6:30 p. m. with dinner at 7:30, George W. Taylor of Grass Valley, secretary of the group, announced.

There will be a panel discussion on the subect of Recreation Development in the Tahoe-Truckee area. Panel members will include Deane Seegar, executive director of the Lake Tahoe Area Council; Robert Krohn, forester for Fibreboard Paper Products and Ralph Lessel of the recreation staff of the Tahoe National Forest.

It was pointed out that the recreation impact on the forest lands of the state is an item of deep concern to all land managers whether they manage private or public lands.

The Lake Tahoe-Truckee area now has a tremendous recreation load and is increasing rapidly, the secretary declared. How this problem is being met and how this growing use can be kept under control will form the basis of the panel discussion.

YOUNGSTERS MAKE HIT ON HALLOWEEN

A big bouquet is in order for the many exceptionally well behaved youngsters who toured the area during their annual Halloween celebration and whose costumes showed interest and clever planning as they visited many homes on the tour.

Added to the home hopping, there were several parties given during the weekend, including those of Mr. and Mrs. William Davis, Mr. and Mrs. Charles Olano, Mr. and Mrs. Bud Denney and Mr. and Mrs. Lauren Russell.

Mr. and Mrs. Elwood Buehler had more than 40 small visitors during the evening and not only served refreshments but the couple took movies of each child as they knocked at the door.

MYF HOLDS OUTING AT TAHOE SUNDAY

The newly organized Methodist Youth Fellowship of the Church of the Mountains in Truckee had its first outing Sunday afternoon, October 29 at the Kings Beach Bowl.

Those in attendance were Chuck Trainor, Don Stowe, Ronnie Walker, Tom Morey, Richard Briley, Orillene Lyman, Jim Lyman, Ann Morey, Garey Waters, Garee Lynn Stewart, Mary Ann Moore, Bessie Bennett, Karen Walker, Tim McLane and David Watts. Chaperons for the occasion were Mr. and Mrs. J. E. Walker, Mrs. Sherman Reams and Mrs. Victor McLane.

The group will meet at 4 p. m. on Sunday afternoon, November 5 in the basement of the church for their regular meeting. The boys and girls in the seventh and eighth grades are invited.

ADVISORY GROUP IN MEET AT COLLEGE

Members of the Sierra College Vocational advisory committee met at the Rocklin campus last Thursday evening for their annual meeting and tour of the new college facilities.

Local members of the committee attending were Mr. and Mrs. Herbert Gunkel of Kings Beach and Reg Smart of Truckee. Charles Henrikson of Tahoe City, another member of the committee was not able to attend. The group dined in the student cafeteria, heard a discussion on the campus program, buildings and future plans by President Harold Weaver and discussed the problem of student employment.

JURY FAILS TO FIND BUS DRIVER GUILTY

Gus Nelson, a Greyhound bus driver, who pleaded not guilty to a charge of making a bad pass on Donner grade and asked for a jury trial, was acquitted in the Truckee Judicial District Court yesterday.

District Attorney Harold Berliner was here to conduct the prosecution and noted that this was the first time in the past three years that a jury in the Truckee court has not returned a guilty verdict. However, he said, a good defense was offered.

Building Plan Will Be Advanced As Committee Meets

The next and most important step in securing the new county building for Truckee will be taken Tuesday, November 7 when the Nevada County Building Authority meets in the supervisors' chambers of the court house at 1 p. m.

While a number of matters are scheduled for the agenda, one of the most important will be the adoption of articles of incorporation and by-laws. This will permit the authority to start the necessary legal steps to bring about contact with financial agency which will construct the building here and the addition to the court house in Nevada City.

It is anticipated by John J. McGlade, Truckee, member of the building authority, that work can be started next spring on the local structure. The land in Gateway Park has been purchased and the final payment will be made to the former owner, Richard Joseph in December.

Attending the meeting to outline the next required step will be Malcolm O. Mau and Wesley J. Barnum, project architects; Ed Buckner, representativee of the Schweser Company, attorneys for the authority and members of the board of supervisors as well as any others wishing to attend.

Work Suspended On Tahoe Highway

Work has been suspended for the winter on the reconstruction and widening of State Sign Route 28 in Placer County along the north shore of Lake Tahoe, according to state highway officials at the Marysville district office.

The million-dollar, eight-mile project is approximately 60 per cent complete, and minor work on driveways and other items may continue as weather permits. However, construction on the traveled portion of the highway will not be resumed until favorable weather next spring.

Contractor is Madonna Construction Co. of San Luis Obispo. Bernard Campbell of Yuba City is resident engineer for the division of highways.

CONSERVATION CAMP TO OPEN SATURDAY

On Saturday, November 4, from 10:30 a. m. to noon, an open house and dedication of the recently activated Washington Ridge Youth Conservation Camp is to be held. The public is invited to the dedication of this new facility.

This will be the fourth such camp cooperatively managed by the department of the youth authority and the division of forestry and is a continuation of the forestry conservation camp program which was started in 1945.

At the present time there are four youth authority camps with 345 wards and 24 adult camps with 1,740 inmates. The program, according to Heman G. Stark, director of the department of youth authority and F. H. Raymond, state forester, has proven very essential in the correctional agencies as well as furthering the work of the protection and development of the forests, parks, and fish and game resources.

HOSPITAL STARTING TRAINING FOR AIDES

The Tahoe Forest Hospital is starting an inservice training program for nurses aides with classes to be held each Monday from 2-4 p. m. and Thursdays from 7-9 p. m., according to Mrs. H. Gilson. Ruth Knight, R. N. will be the instructor during the important course which is scheduled for six to eight weeks. All interested in engaging in this type of work are urged to attend the sessions.

CAMPFIRE PERMITS NO LONGER NEEDED

Tahoe National Forest Supervisor Hank Branagh reports that campfire permits are no longer required on national forest lands on the Tahoe National Forest. Requirements for burning permits for debris burning on national forest land as well as on private land are unchanged. The burning permit requirement is in effect until November 30 unless extended by the state forester.

County Benefits In Division Of Funds Of Forest Service

Payment of $2,692,461.51 to the State of California by the United States Treasury, representing 25 per cent of the gross revenues received from the 19,938,564 acres of national forest land in the state for the year ending June 30, 1961, was announced by Regional Forester Charles A. Connaughton.

Included in the total amount was $46,098.23 allocated to Nevada County and $83,370.68 to Placer County. Sierra County will receive $109,534.08.

Under existing federal and state laws, these receipts are returned to the forest counties of the state for expenditures on schools and roads. Each county's share is proportioned to the acreage of national forest land within the county.

Connaughton pointed out that in addition to the money turned into the federal treasury and a portion returned to the counties, national forests contribute to local welfare in other ways. Payroll payments, contracting services, visits to the recreation areas, fire protection, roads and trails and otherimprovements placed on national forest lands are some of the benefits of multiple use management.

COMMITMENTS JUMP IN YOUTH AUTHORITY

SACRAMENTO — (CNS) — The Cailfornia youth authority reported the rate of commitment of youths between the ages of 10 and 20 for crimes jumped 22 per cent during the past 10 years to a high of 170.1 youths per 100,000.

This was the highest commitment rate in an 11-year period and compared to a commitment rate of 139.3 per 100,000 in 1950.

The report showed that, during 1960, there were a total of 4,602 commitments, compared to 1,908 in 1950 and 4,059 in 1959. The 1960 commitments included 3,350 to juvenile courts and 1,252 to criminal courts.

Burglary, with 884 commitments, accounted for 19.2 per cent of the total, followed by auto theft, at 13.9 per cent of the total. Other offenses, in number of commitments and percentage included:

Robbery 385—8.4 per cent; sex offenses 324 — 7 per cent; theft, other than auto 309—6.7 per cent; narcotics and drugs 306—6.7 per cent; assault 173 — 3.8 per cent; forgery 144 — 3.1 per cent; and homicide 20—.4 per cent.

LAKE WOMEN ATTEND RENO EMBLEM MEET

KINGS BEACH — The newly-instituted Reno Emblem Club No. 372 was hostess to a Northern District meeting Saturday, October 28, at the Elks Lodge. The conference began at 10 a. m. and luncheon was served. Among those attending from local club No. 347 were Velda Farris, Florence Brown and Alysmae Schultz. Husbands were invited for the evening dinner and dancing.

DONNA POWER WEDS AT LINCOLN RITES

A wedding of interest to her many friends at Soda Springs was solemnized Sunday at the Community Methodist Church at Lincoln when Miss Donna Idaline Power became the bride of Thomas Michael Coughlin.

Miss Power was formerly a teacher at Donner Trail school and was correspondent for the Sierra Sun.

The new Mrs. Coughlin is the daughter of Mr. and Mrs. Eugene B. Power of the Termalands district. The groom is the son of Mr. and Mrs. John Coughlin of Quincy, Mass. and is stationed at Selfridge AFB in Michigan.

WOMAN IS JAILED ON BAD CHECK CHARGE

AUBURN—Violet May Guthrie, 44, of Kings Beach, has been jailed here and charged with forgery. Sheriff's deputies said she forged three checks totaling $161.69 at business firms in the Lake Tahoe area.

NURSERY BENEFIT

The Truckee Parents Cooperative Nursery School will have their annual benefit, December 8 and the doll award. Tickets are being sold by the mothers of the group, proceeds will be used for the school project.

Directors Reject Company's Offer To Buy Facilities

Directors of the Truckee Public Utility District Tuesday night turned thumbs down on an offer by the Sierra Pacific Power Company of Nevada to purchase or lease the electrical department of the district.

In a strongly worded resolution, the directors placed the blame for the district's current difficulties at the door of the power company. The resolution declared the company had refused adequate service to the district "except upon its own stipulated terms and conditions" which would restrict the district's field of operation to a small percentage of the area of its legally constituted boundaries.

Such refusal, the resolution declared, has resulted in the district's inability to serve its customers with the highest and best type of service they require, which has necessitated such customers having to directly apply to the Sierra Pacific Power Company for service.

"By reason of the refusal of the Sierra Pacific Power Company to grant the district adequate service to meet its needs and for further reasons herein set forth, the Sierra Pacific Power Company is now offering to purchase or lease the district's electric system, with a promise to improve and give adequate, dependable service to the district's customers, which it will not presently permit the district to fully render because of reasons set forth," the resolution declared.

Reasons for refusing the offer were declared to be that it was made under duress and severe, adverse and detrimental conditions, brought about by the Sierra

Big Bend Owners Will Get Damages

SACRAMENTO — (CNS) — Attorney General Stanley Mosk has some good news for some summer home owners and one resort that are in the path of a highway development near Donner Summit—they can be paid for their buildings.

The owners of 10 summer homes and one resort on U. S. Forest Service leases had been told several years ago they must move their houses off the lands as the leases were being terminated to make way for realignment of U. S. 40 in the Big Bend area of Placer County.

At the time, there appeared no hope for the owners to collect anything for their improvements, although a number of hearings were held.

However, during the 1961 legislature Assemblyman Lloyd W. Lowrey, Rumsey, authored a bill which would permit compensation

STATE WILL AUCTION DWELLING AT CISCO

The state division of highways will conduct a public auction November 21 at 11 a. m. for the sale and removal of a frame two-story cabin located on U. S. 40 in Placer County about one and one-half miles east of Cisco Grove, according to officials at the Marysville district office.

Formerly owned by Addis R. Douglas, the building is situated about 1,000 feet westerly of the Big Bend ranger station.

It will be open for inspection November 14 from 11 a. m. to 12 noon, and on the day of the auction just before time of sale. It must be removed from the right of way by February 14, 1962.

The land has been acquired for construction of a four-lane freeway through the area. Work is expected to start on the freeway next year.

For detailed information regarding the auction, contact Division of Highways, 703 B St., Marysville.

STUDENTS ELIGIBLE FOR SCHOLARSHIPS

Senior students at the Tahoe Truckee high school are eligible to compete for 100 four-year scholarships offered by General Motors under its National Scholarship plan, according to Harold Drummond, principal.

Competition is open to young men and women who are high school seniors and United States citizens. Interested students must make applications for both the GM scholarship and the Scholastic Aptitude Test of College Boards. They may apply at SAT either December 2, 1961 or January 13, 1962.

At least one award will be made in each state.

SOCIAL EVENING

A social evening is planned for the community at the parish hall of the Assumption Church at 8 p. m. on November 4. Everyone is urged to attend and bring a friend.

Sierra Nevada Girl Scout Council officials have announced that the response to their local fund drive has been gratifying and that the drive will continue in an attempt to meet the neighborhood quota. Fund raising is being done by means of calendar sales by Brownie Scouts and nut and candy sales by the older Scouts as well as by private donations by individuals and organizations. It is stressed by Scout officials that there will be no door-to-door solicitation for money. Donations may be mailed to the Girl Scouts, P. O. Box 583, Tahoe City or Girl Scouts, P. O. Box 608, Reno, Nevada.

The Girl Scouts of America are a service group as well as for training good citizenship in the home and community. Therefore if there are any projects which the girls can do in their communities, in the words of leader Bea Lyons, "we would like to know so that we can be of help to our community. Last year the Tahoe City Scouts had a clean-up project at the Commons and the Truckee Scouts reminded people to vote and offered a baby-sitting service so that voters could go to the polls."

One of the important uses made of the money received by the Scouts in the area is form Camp Wasui. The fee paid by campers is for food and leadership. The cost of maintenance and building comes from money raised in the fund drive or from allocations from Community Chests and United Crusades.

HISTORY OF TAVERN IS TOLD TO ROTARY

TAHOE CITY — Wylie Jones, bulletin chairman of the North Tahoe Rotary Club, told members and guests of the Tahoe City Rotary Club attending a recent meeting at Tahoe Inn, how life evolved around taverns from the colonial days to the 19th century.

The speaker said that the tavern had become well established in England and in the year 1600 and that the tavern with its warmth and hospitality became popular in the U. S. shortly after the landing of the pilgrims. The first license to operate a tavern in the U. S. was issued in 1860 to Samuel Cole, a church deacon in the State of Massachusetts.

In the early days church congregations retired to a tavern after church to enjoy the warmth and hospitality, courts of law were often conducted in a tavern, the first stock exchange was held in taverns and Paul Revere chose a tavern to watch the movements of the English navy prior to his famous ride, Wyles said.

Hard liquor had not been sold in the early day taverns and there were some restrictions on smoking. The speaker concluded his talk by saying that the tavern is still a hospitable place but it has nearly lost its identity and is mostly known as an inn or hotel. Bob Scoffield was program chairman.

Bill Wilt and Bill Conners, co-chairmen of the Halloween party reported the annual event will be held at Tahoe Inn on Saturday night, November 4. It will be for Rotarians and their ladies of Rotary but, each member may invite another couple.

President Gordon Moyer brought up the question on continuing with the annual children's Christmas tree party, saying he had heard remarks that the party has been getting out of hand during the past two years. Within a few minutes there was no doubt but that the Rotary Club will continue to sponsor the party under the lighted pine tree. Remarks by members in favor of continuance were that, the children's Christmas party has become traditional that we would be letting down all the civic clubs and organizations that contribute to presents and that there is nothing that can get so big that it cannot be handled by our Rotary Club. Date of the party was to be announced later.

Club members being honored with the birthday song were, Club President, Gordon Moyer, Ric Giannini and Bill Bechdolt.

Sunday, November 19 we will have with us a group of laymen from Reno and Sparks. They will participate in our morning worship. Following the church service we will enjoy a potluck lunch together. Also we will have the pleasure of hearing from these laymen on "How to build a better church, spiritually and materially." These instructions will be very profitable to all of us. Plan to be present.
If you are not attending church anywhere, we cordially invite you to worship with us each Sunday.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Today's need for spiritual discernment will be emphasized Sunday at Christian Science church services.
Scriptural readings in the lesson-sermon entitled "Adam and Fallen Man" will include these words of St. Paul (I Cor. 2).
"Now we have received, not the spirit of the world, but the spirit which is of God that we might know the things that are freely given to us of God. Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. But the natural man receiveth not the things of the Spirit of God; for they are foolishness unto him; neither can he know them, because they are spiritually discerned."
This citation will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 203): "Spiritual perception brings out the possibilities of being, destroys reliance on aught but God, and so makes man the image of his Maker in deed and in truth."

TAHOE TRUCKEE SCHOOL NEWS

DONNER TRAIL SCHOOL

PRIMARY ROOM: We are losing two students this week. They are Sam and Dick Nidever, who are moving to Newport Beach for the winter.

Robin Board had her sixth birthday last week and she celebrated it with a party at her home. Many of her classmates attended.

The children are all excited about Halloween and are busy trying to find original costumes for the Donner Trail Community Club Halloween Party. It was held October 31 at Donner Ski Ranch.

TRUCKEE ELEMENTARY

KINDERGARTEN—Mrs. Osborn: We have had some interesting things made by the children following our science stories. Douglas Lander, Greg Wurst and Cindy Ferdinand made drawbridges from milk cartons, and Douglas Lander also made a parachute.

FIRST GRADE — Miss Manley: Our helpers for this week are Kelly Shane and Millie Jeakins. Leaders, John Virus and Stephanie Copeland; paint, Jame Manetta; money bag, Jacquie Waller; calendar, Melissa Ciandro; papers, Jodi Shackelford; milk, Gary Gray; P. E. leader and Meda Mae Riger, flag.

SECOND GRADE — Mrs. Scott: The six week spelling review showed 10 per cent for all but three second graders. Jeffery Amtoft, Marvin Conston, David Daly, Phillip Grow, Carl Kuttel, Mark Lugenbeel, Michael O'Bear, Patrick O'Malley, Milton Smisek, Billy Stark, Richard Sampson, Carol Bunt, Christine Burroughs, Judy Dent, Sharon Eckerman, Katherine Funk, Renee Glynn, Patricia Hausauer, Sharon Hill, Rosa Lopez, Roni Lynn Neifert, Kathy Osburn, Kathleen Pendergast, Kathleen Raynor, Ida Reichlin, Sherri Sassarini, Holley Schooley, Debra Simpson were successful.

We lost two girls: Debbie Laughlin and family moved to Sacramento. Roxanne Brown moved to Bishop. One boy left us, Mark Lugenbeel moved to Sacramento.

THIRD-FOURTH GRADE—Mrs. Roth: We had a field trip to Denney saw mill and planning mill on Wednesday. We learned a great deal about lumbering. Many thanks to Mr. Jenson for helping us plan our trip. Thanks, too, to the mothers who went along: Mrs. Jang, Mrs. Rablin, Mrs. Oliver, Mrs. Stone and Mrs. Steed.

Mrs. George Steed and Mrs. Nelson Stone are to be our room mothers this year.

Fourth graders receiving A's on their first unit arithmetic test were: Kim Jessen, Dennis Weiler, Susan Jang and Diane Rose.

Third graders and fourth graders who had top scores in their first six week review spelling tests were: Leslie Smith, Susan Anfield, Rosemary Campos, Cathy Craig, Debra Eckerman, Sharon Ford, Donna Horman, Susan Jang, Christine Juliot, Pamela Laugenour, Maryanne Reichlin and Diana Steed.

FIFTH - SIXTH GRADE — Mr. Stever: The "A" students in arithmetic were David Curtis, Nancy Randol, Sandra Eckerman, Steve Kenyon, Bruce Leamon, Catherine Ahrens, David Goldsmith, Mary Lou Randall, Ken Weiler and Thomas Holleman.

In social studies, Lewis Denney, Bruce Leamon and Nancy Randol proved themselves the better students judged by the test results.

With stress being placed on spelling, the following were the 100 percenters: Catherine Ahrens, Lewis Denney, Sandra Eckerman, Ronald Baker, David Curtis, Tommy Harrison, Thomas Holleman, Rod McCallen, Fred Piercy, Nancy Randol and Mary Ringer.

SIXTH GRADE—Mr. Handy: The following are leading the class in arithmetic grades, obtaining 90 per cent or above: David Burgwin, John Clark, Shirley Davis, Henry Frates, Wilbur Glenn, Pamela Horman, Mike Kydd, Mike Larsen, Steve Neifert, Linda Russell, Karel Sauby, Gail Shackelford and Jill Wurst.

Wilbur Glenn is to be complimented on showing the most improvement.

Dave Burgwin, Steve Neifert, Jennifer O'Bear, Linda Russell, Karel Sauby, Gail Shackelford and Allison Spillner received B plus or A's in language this week.

Billy Hobbs is showing a great deal of improvement in penmanship. Dave Burgwin and Steve Neifert are still maintaining perfect grades in penmanship.

Diane Daly, John Clark, Shirley Davis, Pamela Horman, Steve Neifert, Jennifer O'Bear, Linda Russell, Karel Sauby, Gail Shackelford, Allison Spillner and Jill Wurst received A's for neatness and thoroughness of answers on their social studies unit on Brazil.

Kelly Long has left the class to move to the valley.

We, as a class, were certainly relieved and happy to see Karel Sauby back with us after only one day's absence following her almost serious automobile-bicycle accident.

SEVENTH GRADE — Mr. Dean: The class now numbers 28 students. Tom Gangler recently moved to Los Angeles.

Linda Lewis was elected class vice president to replace Tom Gangler, the former vice president.

Reporters are Tim McLane and Larry Perdue.

TAHOE LAKE SCHOOL

KINDERGARTEN: Robert Atwater invited the kindergarten class to enjoy his fifth birthday cake and ice cream with him Wednesday. Robert received a picture story book made by the class.

Helpers succeeding in writing the table numbers on the board without help this week are: Guy Tomlinson, Cathy Freeland, Judith Cross, Mike File, Deborah Painter, Christine Onorato, Dallas McPherson, Linda Sue Menges, Linda Lewis and Michael Jones.

FIRST AND SECOND GRADE COMBINATION: Second graders with perfect spelling scores this week are Greg Collins, Garth Collins, Randy Huddleston, Ruth Street, Timmy Jones, Terry Rumph, Kim David, Bobby Fitts and Mike Byers.

First graders that have begun their third pre-primer are Kathy Brodeen, Chris Cahill, Donna Silva, Linda Keeler, Dee Anne Cline, Billie Menges and Robert Frazier.

SECOND GRADE: 100's in spelling were Corlene Hepner, Karen Mullen, Robbie Easton, Jeri Sampson, Jeff Ballenger, Nancy Kelley, John Attardi and David Kahn. Special mention should be made of the reading progress made by Sheryl Walling.

Our new class president is Sheryl Walling and our vice president is Jeff Ballenger.

THIRD GRADE: The children who received 100 per cent in their spelling test and an A in dictation were: Julia Gehlert, Marguerite Allman, Betty Lynn Strickland, Bill Moyer, Yvonne Baker, Paula Henrikson, Peggy Tilton, Carol Pellitier, Marlene Lisle, Carl Ruhkala, Vaughn LaTour, Janet Barrett and Scott Shirley.

FOURTH GRADE: In creative writing Laura Hoxsie, Debbie Stark, Lynne Duttweiler and Christine Olejnik presented the most interesting Halloween stories which are on display on the office bulletin board.

FOURTH AND FIFTH GRADE COMBINATION: Our square and folk dancing with the fourth grade

Lake Tahoe-Sierra Chamber of Commerce met at the Bear Pen at Squaw Valley on Thursday with Selby Calkins, president, presiding. Director Sandy Poulsen of Squaw Valley was hostess to the group, being at the Poulsen's restaurant.

Florence Brown gave the financial report, and the meeting was open for discussion. A special meeting will shortly be called to appoint various committees and clear up other business. Notices will be sent advising time and place.

Happy birthday to Unadell Crawford of Tahoe Vista on October 31.

Louise Walter of Brockway and Pearl Draney of Incline Beach were guests of Virginia Gianotti of Reno at the fashion show luncheon at the Mapes given by the Democratic Women of Nevada last Saturday.

Grace Curtis has returned home to Berkeley after spending a couple weeks with the Robert Critchley family at Tahoe Vista. Mae returned home from the hospital on Thursday and hopes recuperation from back surgery will be quick.

L. S. and Elizabeth Streeper of Tahoe Vista have returned home after a visit to Salem to home of son, Richard, and wife. Richard a law student there.

Is someone singing "Oh Where, Oh Where, Has My Little Dog Gone?" Monday last the writer was unfortunate and clipped a little white terrier with a brown face, downtown in Kings Beach. Since he had a cut shoulder, I took him to Carson City to the vet where he had some stitches, a thorough going over, a shot, and released. After spending the night with good samaritans, the William Jenkins of Kings Beach, he took leave and departed presumably for home. His stitches should be removed and it is hoped his owners will hear of his accident and incidently see his stitches and have him attended.

Speaking of animals. Anyone lost a beautiful black Persian kitten and a white and gray one? We have had them descend and establish residence under our house. Perhaps someone would like a companion? Our Pekingese is not for cats.

Lou Mills and Dorothy Corbin of Kings Beach are chairmen for the Christmas art exhibit and bazaar scheduled for December 9 and 10 at the Kings Beach school auditorium. Artists displaying their work, needlecraft, tin craft, mosaic, paintings, will contribute half of the proceeds from the sale to the Kings Beach Methodist Community Church building fund.

Phone Dorothy at LI 6-2640 or Lou at LI 6-2378 to enter your art work.

Ron Mills of Kings Beach is now convalescing at home following back surgery in Reno. Ron anticipates a three week recuperation.

Bob William of Burbank is visiting Carrie Mercer and family of Crystal Bay.

Sacramento visitors Sunday were Carrie and Dorothy Mercer of Crystal Bay to friends, Mr. and Mrs. Phillip Dorst.

Understand the Lake Tahoe Ski Club had a wonderful turnout at the Nevada Lodge, Wednesday, October 25 for a buffet supper and evening of fun. President is Herbert Kahn of Tahoe City. Lake Tahoe Ski Club is one of the oldest ski clubs in America. The club's activities include furthering of junior racers, social get-togethers, family events such as ladies day skiing, pre-school children instructions.

The club recently sold a large piece of property and are planning for the building of a clubhouse for the benefit of members of the club. Sounds great.

Pearl Draney of Incline Beach, president of the VFW Auxiliary, recently represented Lake Tahoe VFW Auxiliary to Post No. 7077 at a tea given at the home of Helen Dolbier of Reno. The tea honored Beulah Adamson of Denver, Colorado, national auxiliary president. Miss Adamson was making her official visit to Nevada. President Adamson placed emphasis on hospital volunteer service and spoke with each auxiliary president on activitles engaged in in the past year.

Tea was served by the presidents of the auxiliaries atending. dents of the auxiliaries atending. the tea.

Leaving Lake Tahoe November 1 will be Hal and Ada Love of Tahoe Vista and Love's Holiday Gift Shop. Taking possession of the business and home, will be the Howses of Napa who will continue to operate the property as is.

Complicating the packing and moving for the Loves was son, Tom, who broke his leg at College of Pacific at Stockton. Son, Jeff, is attending school in Sacramento.

Good luck to Loves and Howses.

Optomist Club met Wednesday at Crystal Bay with Ben Ferrari, president, presiding. Speaking and showing films on civil air defense was Major Stewart from Stead Air Force Base. Discussion period followed. The Optomists meet each Wednesday at the Crystal Bay Club at 7:30 p. m. Week previous, Glen Christensen of Reno, state fish and game, spoke on "Wild Life."

Dr. Walton Prescott of Kings Beach is vacationing as of November 1 for a couple of weeks. Will visit daughter, Barbara Harken at Dothan, Alabama. Dothan is the peanut capitol of the world and should be a very interesting place to visit. Happy holiday.

Mr. and Mrs. John Schroeder of Sleepy Eye, Minnesota, were house guests of Tom and Chris Hoffman of Tahoe Vista. Chris is Mrs. Schroeder's niece and a happy family reunion was enjoyed, as well as vacation.

Our Lady of the Lake Guild of the Catholic Church will meet November 2 at the home of Chris Hoffman in Tahoe Vista.

Newcomers to Kings Beach from Washoe Valley are Kenny and Jacqualine Steinhauser and children Kris, 14, Eric, 8, Kevin, 6, Tony, 4, and Andrea, Welcome to Tahoe.

Zoe Ann and Jackie Jensen of Crystal Bay are home again after attending the Jackie Jensen Golf Tournament at Orinda. This is a one day tournament sponsored for the fifth year by Jackie for a

EIGHTH GRADE—Mr Maas: The Kings Beach eighth grade class this week began the tedious job of re-vamping the school constitution and school handbook.

During the past week the football team has practiced their new plays.

The team members are Steve Felte, Larry Tiller, Merrit Olmstead, Mike Plevel, Bill Beman, Paul Rigor, Nicky Grellman, Bill Cooper, Darryl Cernausak, Howard Price, Terry Boatman, John French, Carl Christiansen, Mike Thomas and Phil Thompson.

The class hopes to be starting a school newspaper before too long. Colleen Murphy is now writing a short story serial for our first edition. Vern Wing and Howard Price demonstrated persistent quality by writing very exceptional poems for the Halloween display and then repeated themselves by again conjuring up two more exceptional poems for their class assignments in literature.

Chris Steinhauser has just entered the ranks of the 8th grade class from Otis Vaughan in Reno. Glad to have you with us, Chris.

DONNER DOINGS

By VIRGINIA O'BEAR

Donner Lake people are busy with last minute work since we realize winter is here. With snow on the mountains and some of us with snow in our back yards, we have to winterize. The state employes put up snow poles at Donner Lake this week and all indications are that we will have an early winter with plenty of snow. Skiing reports have started already with newscasters predicting a good ski season. The construction companies are working one shift now with just three shovels being operated at Donner. Many workers went home for the winter Monday and will not return until spring when the job starts again. Most people think we are in for a long cold winter, and it could be.

* * *

Talked with Olga Lyddane of Soda Springs this past Monday about shelters for children waiting for school buses. At the last P. T. A. meeting the subject was brought up (I wasn't there) about children waiting in the cold so long for the buses. Olga has been investigating since she is on that committee and reports that shelters cannot be built on state property but property owners can put them up on their own property at their own expense. Several neighbors could go together and share the expense with a removable type shelter which could be used each winter. Most children at the west end meet the bus at the Donner Trading Post. We have three neighbor children getting on the bus with our two every morning and I really dread the cold weather with the children waiting down by the road. If they wait on our porch they cannot see the bus coming now as it picks them up going towards the summit and we have a dangerous turn near our driveway. Many people are concerned at Donner with the speed limit and worry about the large trucks going so fast around school bus time. I watch every morning until the five at our stop, get on the bus and some of the things you see make your hair stand on end. It isn't the school bus drivers' fault, it is ours for not trying to get our speed limits lowered at busy sections of Donner Lake. In our 45 mile zone, trucks and cars go between 60 and 80 miles per hour. The highway patrol cannot be everywhere at the same time but if some of our officers would pull a sneak and hide out along the highway they would see plenty every morning between 8 and 8:30 a. m.

* * *

I have been hearing wonderful reports on the Capitol Cafe in Truckee about the atmosphere as well as the delicious food and moderate prices Saturday evening a group of us got together and really enoyed our dinner there. I think Truckee and our Donner area can well be proud of this new dinner house. Now we can keep our vacationers within our midst as we have all types of coffee shops, restaurants and this brand new dinner house.

* * *

Roy Slate will be going back to Donner Lake Lodge this wek after a two week vacation. Art will be taking off for San Francisco for the winter after serving your favorite beverage there this summer along with Roy and Vic. Vic plans to be here awhile yet but Toni is leaving soon for 29 Palms as she has a job for the winter at that famous resort. Marsh Finch is leaving Donlac this week also as the cocktail lounge will be closed for three months because of a seasonal license. Marsh will be driving "Mom" Mary Myers down to 29 Palms for the winter, too. Mom is well known to all of us and we will miss her, too. Marsh said he wouldn't be surprised to look up from his duties at the Talk of the Town in 29 Palms and see some of the Donner Lake natives. Marsh will be back at Donlac when it reopens but in the meantime, he wants the Sierra Sun sent to him so he can keep up on Donner Doings and the rest of the communities. (I have new for him, I'll have to write him personally as there are some things we can't put in the paper). As for Marsh Finch, we better keep an eye on him as I've heard rumors of wedding bells and it couldn't happen to a nicer fellow. When it happens he said I could have the "scoop."

* * *

When you see Christmas trees piled out in front of the Hap Warnke's home home you can then realize that Christmas is just around the corner. They are there and trucks have been going by all week loaded down with the beautiful silver tips. I don't want our tree cut just yet but it reminds me to get going and to put things in lay-a-way while the shops in Truckee and Donner have a good stock on hand of colors and sizes. We should all try to shop at home and if we do it early enough and not wait until the last minute, we can find what we want right here at home.

DIVOT-DIGGERS

By BETTY KIELHOFER

Those who attended the dinner-dance at Lawtons Saturday night will attest to my statement that the food was delicious. Some 60 members turned out for the affair and I believe most of them enjoyed themselves very much. Our good president, Charlie Fink, was the official speaker, adding humor to the occasion with little quips accompanying each trophy presentation, uncovering talents we weren't aware he possessed. Our golf pro, Orf DeLuca, gave him an assist with these awards along with a handshake for each recipient . . . our sincere gratitude goes to Patti Fink and Virginia Paddock for a hard week spent on decorations for the party. Their ingenious idea of pipe stem golfers with pine needles for clubs atop pine cones at each plate were darling conversation pieces. It's spirit like this that keeps a club going . . . All the officers deserved credit for this years work but a masculine bouquet (if there is such a thing) should be tossed in the direction of our tournament chairman, Lauren Russell. His was one of the hardest jobs and very well handled, indeed. I spotted Dick Paddock and Eve Popovich cutting a mean rug on the dance floor. Must remember to find out the name of the vicious step . . . guess this winds up the season as far as our course is concerned, and I'm sure most of us enjoyed this first year tremendously. Let's hope next season brings even bigger and better things—Jack Ellis, Cliff Ellis, Lauren Russell and Zeph Rose took off for the northern country Monday noon in pursuit of the elusive 'duck'—a far cry from golf, but none the less enjoyable. Quite a number of our locals are either in Wyoming and Colorado hunting deer now or are planning to leave next week, undaunted by the heavy snows which are blanketing those areas at present—we wish them luck . . . On the serious side, we've been busy working in our basement preparing a fall-out shelter and getting in a supply of food, just in case. I can't help but think it is best to be prepared rather than experience panic if the worst does come . . . we can all use the food eventually if no emergency arises so what have we to lose? Nonie Osburn is chairman of food for all of Nevada County and I understand she has been working with interested parties here in an effort to teach the proper methods for mass feeding, etc. I dislike sounding morbid and this is not my intention. I'm just an advocate of preparedness and would like to think our people are as alert as some of the other communities I read about . . . give it some thought, anyway —this article is inappropriately named, at least for the winter, but since there won't be much news about golf, I'm forced to write about any and everything, or discontinue until spring . . . we'll see how it goes . . .

RIVARD WILL HEAD SQUAW SKATE CLUB

SQUAW VALLEY—Paul Rivard, Tahoe City, has been elected president of the Olympic Figure Skating Club of Squaw Valley at the club's first annual birthday party.

Other officers elected included Jack Starratt, vice president; and Dick Pierson, secretary-treasurer.

The club held a cocktail party in its newly-furnished lounge in Blyth Arena following a skating session.

A spokesman for the club stated that the group would encourage hockey games in the future and would hold weekly skating sessions for its young members.

Ice time has been arranged exclusively for members on Sunday afternoons at Blyth Arena. The main goal of the club is family participation in all kinds of skating.

Dues for the remainder of the year are $5 for adults and $3.50 for children.

Oil has been produced from California's submerged lands for more than 60 years.

REPORT SAYS STATE OWES FOR OLYMPICS

SACRAMENTO — (CNS) — The record of the 1960 Winter Olympic Games at Squaw Valley has been darkened by a report that the state may have to pony up another $52,000 to pay off the bills.

And the report, prepared by Auditor General William H. Merrifield, noted some $35,000 in in equipment, including electric clocks and "highly portable" typewriters, is missing. The report noted about $14,000 of this might be recovered from insurance.

There was grumbling from several members of the joint legislative audit committee when Merrifield made his report. Assemblyman Glenn E. Coolidge, Felton, called for an extension of the report as soon as possible.

"We want you to report—without trying to be a gentleman about it — at the soonest possible moment," Coolidge told Merrifield, "certainly before the next session of the legislature."

Senator J. Howard Williams, Porterville, charged the department of finance "let us down badly and you can dump that right at the door of the director of finance."

Actually, quite a number of directors of finance were in office during the preparations for and staging of the Winter Olympics.

ACCIDENTS

(Continued from Page 1)

following a three car collision 12 miles west of Truckee at 11:20 p. m. Friday. Cars driven by Jerry L. Williams, 58, Martinez and Floyd J. R. Winchester, 20, Modesto, were involved in the non-injury mishap. Winchester and Worth were also cited for not having chains in a chain control area.

Cars driven by Vincent Rivera. 35, Hayward, and Andy Babich, 42, Truckee, were involved in a non-injury accident 12 miles west of Truckee at 2:45 p. m. Friday. Rivera attempted to pass Babich, lost control and struck the side of the Truckee man's car. He was cited for speeding.

Mary K. Rash, 24, Kings Beach, escaped with minor inuries when her car skidded out of control and rolled off the Brockway Hill road at 2:10 a. m. Saturday.

Aymer J. Walters, 49, Concord, suffered minor injuries at 9:45 p. m. Friday when his car skidded on the icy road at the Emigrant Way overpass and overturned.

Sharon Lee Darcey, 19, and Jack Darcey, 13, of Tahoe City, were treated at the hospital Monday after a car driven by the former got out of control in the dirt two miles east of Tahoe City and overturned at 5:15 p. m. The car was westbound at the time of the mishap.

MOTEL DAMAGED

KINGS BEACH — One unit at the Lazy L Court in Kings Beach was damaged last week by fire. It was believed that the blaze started in a couch. The loss was centralized by the fast work of the fire department which kept the flames confined.

Mission San Juan Batista in San Benito County was named in 1776 in honor of St. John Capistran.

BREWERS DONATE TO FACILITY AT DAVIS

DAVIS—Funds totalling $9,000 have been appropriated by the California Brewers Assn. toward the support of the pilot brewing plant for the current year in the brewing technology course which is offered at the University of California here.

Dr. George F. Stewart, chairman of the university's department of food science and technology said the contribution would enable the department to continue operation and maintenance of a $65,000 specially designed experimental brewery which is used in conjunction with the course.

DROP OUT RATIO AT COLLEGE VERY LOW

Sierra College Registrar James McClusky announced this week that 41 students had dropped out of school since the beginning of the fall term. Last week was the last time students could drop out without grades being recorded against them. Some 992 students (full time day students) remain enrolled.

The drop out ratio was extremely low, McCluskey noted. The current rate is only four per cent, compared to the usual drop out ratio of 12 per cent. Statewide drop out rate varies from 15-20 per cent, the registrar explained.

Students cited various reasons for leaving school, ranging from poor grades to lack of funds.

Pacific Power Company and that the sale or lease is not in the best interests of the district.

It was further resolved that the district take immediate steps to apply to the California Public Utilities Commission for relief from the conditions set forth for an order directing the Sierra Pacific to serve the district with adequate power to meet its present and future needs.

Johnson Here

Congressman H. T. Johnson of Roseville, met with the directors at a luncheon meeting at Smart's Monday and pledged his support in securing a block of low-cost power from the Trinity project of the Central Valley Project.

The congressman explained that there are many problems confronting the district, but that through concerted effort and a direct approach he believed they can be solved.

While here, the congressman inspected the new post office and airport and expressed his pleasure in having been a part in securing them for the district.

of such property owners. A bill in congress along the same lines was rejected.

Mosk was asked by Robert P. Bradford, administrator of the highway transportation agency, if there was any constitutional prohibition against paying the homeowners, under the section which prohibits gifts of public funds. Mosk held there was no constitutional prohibition.

"This situation does not involve a gift in the sense that word is commonly used," Mosk said. "It might be that prior to the passage of Section 104.4, the owners of forest service use permits might not have had sufficient legal interest to have obtained compensation through suit.

"However, they certainly have been economically injured by the highway project and the action of the state in building it," he said. "But for the highway project, they undoubtedly would have continued to enjoy the use of their improvements for many years."

Mosk's opinion was expected to affect all homes, cabins or improvements built on forest service leases which might come in the way of highway or water development projects.
